Subject: Testifying in Barnstable District Court

Hello All

I am the ADA handling the case of Com v. [REDACTED] Charged with 2 counts of possession of drugs - cert #s [REDACTED] and [REDACTED]

We attempted to plea the case last week, but unfortunately the plea did not go through.

The case is now scheduled for a Jury Trial on August 3, 2010. I believe I need all three of you to testify based on my reading of the certs. Please let me know your availability for that day.

Also, could you each either email or mail me a copy of your CV.

As you can imagine, in district court we have not had too many cases where we are pushed to bring the chemists in. If any of you have any basic outlines or anything like that that explains what steps you go through in analyzing the drugs that you could forward along to me as well I would really appreciate it and it will make the day of trial a lot smoother.

Thanks!
